

Statement of Purpose

The purpose for the RCDCU Bike-A-Thon is to raise money to increase the awareness of **Prostate Cancer and the importance of early detection**. Contributions will be made to the **Robert Wood Johnson Hospital Foundation** that will be providing three days of **FREE** prostate cancer screening to the cyclist and men throughout the communities of Somerset and Middlesex counties. According to statistics released from the Prostate Cancer Foundation, nearly 218,000 men were diagnosed with prostate cancer last year and more than 32,000 died. It is estimated that more than 2 million American men are currently living with prostate cancer. As men increase in age, their risk of developing prostate cancer increases exponentially. African American men are 60% more likely to develop prostate cancer compared to Caucasian men and nearly 2.5 times likely to die from the disease.

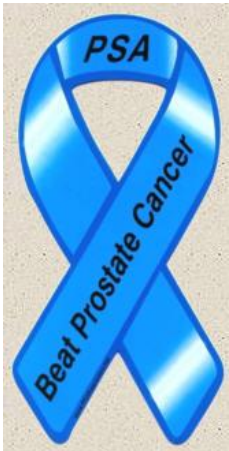

About RCDCU

In 1996 the New Jersey Department of Banking and the National Credit Union Administration chartered Renaissance Community Development Credit Union as a low-income designated not-for-profit community development credit union. Fifty-one percent of the individuals and families we serve within our community fall below the guidelines defined by the Federal Government as low to moderate-income. RCDCU is an extension of the Central Jersey Baptist Community Development Corporation a 501C3 charitable organization (formerly known as First Baptist Community Development Corporation).

RCDCU does not just provide financial products and services to its members but also to the community. In 2008, RCDCU established the RCDCU Bike-A-Thon as a way to get the community involved and support our community outreach programs. The Bikers ride to support and promote various programs such as Foreclosure prevention, financial literacy, and this year to promote Prostate Cancer Awareness. For more information about RCDCU, visit our website at www.renaissancecdcu.com

RWJ University Hospital Foundation

Established in 1981, The RWJ University Hospital Foundation, Inc. is the not-for-profit organization that raises funds to support program and facility needs at Robert Wood Johnson University Hospital, one of the nation's leading academic health centers. Since its incorporation, millions of dollars have been contributed to support such programs as The Heart Center of New Jersey, The Bristol-Myers Squibb Children's Hospital at Robert Wood Johnson University Hospital, nursing research and scholarship, the medical and surgical oncology services and various capital construction and equipment projects.

Free Prostate Cancer Screenings
(Available for men 40 and older)

According to the National Cancer Institute, prostate cancer is the most frequently diagnosed cancer in men, other than skin cancer. Early detection is key to receiving appropriate treatment, if necessary.

Monday, September 19, 2011
Tuesday, September 20, 2011
Wednesday, September 21, 2011
5 – 8 p.m.

Screenings are free, but an appointment is required.

For more information, please visit www.rwjuh.edu/prostatescreenings or call 732-247-2050.

THE BIKE ROUTES

The Bike-A-Thon begins and ends at Renaissance Community Development Credit Union at 55 Fuller Street, Somerset, NJ

The **10-mile ride** takes you through the streets of Franklin through neighborhoods out into open space. A water stop is set up in the park on New Brunswick Road.

The **30-mile ride** takes you through neighborhoods, Colonial Park, and landmarks riding along parts of the Delaware Raritan Canal through open land space. A rest stop is set up in Colonial Park and at the half waypoint in the Clubhouse on DeSoto Drive, Franklin Park.

The **45-mile ride** is for the seasoned rider following the beginning of the 30-mile route and continuing along the Delaware Raritan Canal into Kingston and returning to the rest stop at the Clubhouse on DeSoto Drive, Franklin Park, and back to the starting point.

Whether riding single or as part of a team, you will not want to miss this opportunity to ride for fun and fitness and help to **Promote Prostate Cancer Awareness.**

All the routes are monitored by cell phones and members of the support team.
